## TOASTS

Toasts are a staple part of the traditional pub experience in Europe. Use these toasts freely as you enjoy your stay with us.

*Here's to a long life and a merry one  
A quick death and an easy one  
A pretty girl and an honest one  
A cold beer - and another one*

*May your glass be ever full  
May the roof over your head be always strong  
And may you be in heaven  
a half hour before the devil knows you're dead*

*I drink to your health when I'm with you  
I drink to you're health when I'm alone  
I drink to your health so often  
I'm starting to worry about my own*

*It is better to spend money like there's no tomorrow  
than to spend tonight like there's no money*
